

## PROFESSIONAL EDUCATION PROGRAMS ABROAD

### SHORT COURSES & FACULTY LED PROGRAMS TO AUSTRALIA & NEW ZEALAND

#### OUR MISSION

Professional Education Programs Abroad facilitates quality, diverse, customised faculty led education programs to the Pacific region. We offer a holistic approach to our program development by providing comprehensive study tour packages that bring together the key elements essential for a successful and engaging program.

#### WHO WE ARE

PEPA is an Australian owned Education Business with over 50+ years of combined International Education and Tourism experience. We are passionate about offering an all-encompassing, professional short term experience to international students and faculty. We take care of the logistical challenges of organising complex itineraries to better enable educational institutions and staff to fully focus on their areas of expertise.

#### WHY PEPA?

Professional Education Programs Abroad (PEPA) enjoys working with university groups and faculty leaders to create engaging short-course programs. As a dedicated Education & Tourism company, PEPA can offer an all-encompassing program that includes Education, Airfares, Accommodation and Tourism activities throughout the Pacific region.

Our Customised faculty led programs and short courses cater to individual educational institutions, with each program being tailored to your specific needs. We can help you design and develop an engaging program that not only meets a high academic standard, but also provides your participants with an opportunity to experience the best of the Pacific Region's rich and diverse culture.

#### TESTIMONIALS

Professional Education Programs Abroad prides ourselves on providing the best possible customer service to University Faculty and Staff. PEPA understands the complex nature of organising short term programs to another country and supports each individual programs needs from development to completion. We value our strong faculty relationships and always try to exceed the expectations of our customers.

***"I have worked with Amy Parker for over a decade now on our University of Delaware study abroad trips to Sydney and the surrounding areas of Australia.***

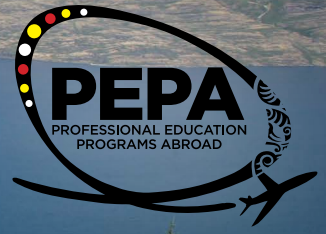

***Our trips have always been well arranged, carried out and the student tours and transportation have all gone as planned. Our students have really enjoyed the trips that I have planned together with Amy. We have had very good success over our many years working together."***

## CUSTOMISED PROGRAMS

PEPA offers unparalleled personalized service including individualized pre-departure consultation, extensive in-country support, high-quality accommodations, and a range of exclusive program options designed to promote integration into the host culture.

A balanced, comprehensive program: PEPA faculty led programs and short courses combine classroom learning with practical experience, providing participants with the skills and knowledge they need to apply their learning in the real world.

Industry and government connections: Our strong links with industry and government allow us to build real-world examples into the curriculum of our programs, with opportunities to learn from leading experts and practitioners via guest lectures and guided site visits.

Unique and exciting locations: All of our programs include the option to stay at some of the most amazing locations in the Pacific. Choose one or more locations within Australia, New Zealand or the South Pacific and it will provide your students with an opportunity to experience the best that country has to offer from a scenic, safe comfortable home base.

A flexible approach: Our programs can be credit bearing or non-credit bearing, depending on your requirements. Working with only the best universities, classes can be run by overseas faculty or local faculty and can run for any length of time. Our faculty led and short course programs generally run anywhere from 7 to 30 nights.
